

We attended a Big Ten team camp for 10 years and loved it. Last year we decided to try something different . The Molten Team Camp was unbelievable everything about it was better than the team camp we had been attending for years!

Stephanie Otto—Prairie Ridge High School

My team had a great time and got a jump on the upcoming season. As a coach I really enjoyed the coaches round tables.

## Why Molten Team Camp?

This is a team camp like no other. The competition level will be as intense as any team camp in the Mid-West. Top teams from the state of Wisconsin, Illinois and Iowa will attend. Their attraction is to the high quality coaching that will be provided by college coaches from top programs in the Big Ten, Big 12, MAC, Mid-Con, Conference USA and the Horizon League. Along with great accommodations and restaurant quality food. Teams will participate in two high intensity on court sessions a day and one session of team building activities. The camp will culminate with tournament competition.

As an added bonus each night the staff will hold a round table discussion with the high school coaches .
