SEE BELOW!

Teams must provide a roster with insurance waivers for each player on the roster, waivers are available on our website www.moltencamps.net. Libero's may be used, they will need to be identified prior to the start of each set. Teams must wear numbered shirts, they do not have to match, they just need a number on the front and the back. Game balls and up officials will be provided. Teams will have reffing and scoring duties and should bring their own balls for warm ups. *Teams are reminded that it is against WIAA rules to use school owned uniforms and/or volleyballs out of season.*
